

No Frost, forever

No Frost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

Product Benefits & Features**Choose freezer settings with the Electronic Controls.**

Electronic Controls give you the ability to adjust the settings and internal temperature of the freezer.

Flexible freezer storage with OpenSpace

Get flexible storage solutions for your freezer with OpenSpace design, it provides glass shelves that could be easily removed to store big items. The top of the freezer has open shelves so that nothing is hidden in drawers.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.
