
**Precise heating, so you feel confident**

The 900 SensePro Extractor Hob has a powerful built-in extractor for optimal airflow and a wireless sensor for precision cooking. It measures the food temperature and automatically adjusts the settings for precise heat – no more guesswork.

**Product Benefits & Features**
**Enjoy precise cooking with the SensePro Extractor Hob**

SensePro Extractor Hob features a wireless food sensor to ensure accurate cooking. The sensor measures the core temperature to automatically adjust settings for delicious results. Boil, fry, sous vide and more with total confidence.

**CookSmart Touch Display helps you take charge**

The full-colour, CookSmart Touch Display lets you take charge of the whole cooking process. Effortlessly control heating, cooking zones, sensors, and smart functions. Connect to the Electrolux app for an even more intuitive experience.

**Functions and Dishes: Help with what to cook and how**

The Functions and Dishes assisted cooking feature picks the best settings for you so you can achieve outstanding results, tailored to what you're making. Dishes provides step-by-step guidance so you can confidently expand your repertoire.

**Expand your cooking space: FlexBridge connects up to 4 zones**

Flexbridge is a special induction cooking area that can connect up to four zones to create a single cooking area with exceptional, uniform heat distribution. Perfect for small blini pans or super large casserole dishes.

**Long-Life Carbon Filter. Clean and re-use multiple times**

The Grease Filter and Long-Life Carbon Filter are easy to clean in the dishwasher, so your kitchen air stays fresh, and your fan keeps running at its best. Carbon filters can be regenerated up to 8 times for extended life up to 3 years.

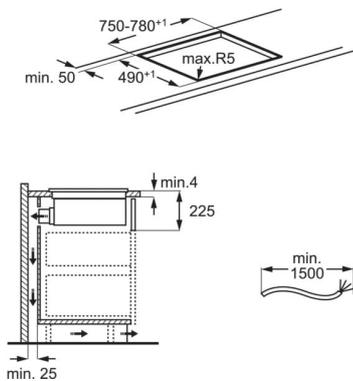

- Booster function
- Child safety lock function
- Hob<sup>2</sup>Hood funktion
- Timer function
- Pause function
- Automatic safety switch off
- Indicator for grease filter saturation
- Indicator for carbon filter saturation
- Charcoal filter included
- Tubes included

**Product Specification**

Nordic_HB_FrameType_Colour	Frameless Square	Right Front - Power, W / Diam., mm-2nd Gen	1400/2500W/145mm
Dimensions WxD in mm	800x510	Right Rear - Power, W / Diam., mm-2nd Gen	1800/2800W/180mm
BI dimensions HxWxD in mm	225x750 - 780x490	Motor type	Brushless
Build in type	Integrated and on top	Extractor speeds	3+Intensive
Air outlet, mm	220	Cord length, m	1.5
Filter Type	Aluminium mesh	Total electricity loading	7350
Grease filter, n° of	2	Volt, V	220-240V/400V2N
OdourClean Standard Carbon filter	Included	Product Number Code	949 599 462
