

A powerful cleaning solution for SaphirMatt® hobs

Matt Care Hob Cleaner is a dedicated deep cleaning solution for matt glass-ceramic induction hobs, including SaphirMatt® and SaphirMatt® SE hobs*. Remove tough grease and stubborn burnt-on food residue to maintain a pristine hob.

*Do not use on metal parts which should be cleaned with dishwashing liquid and warm water using a damp cloth.

Product Benefits & Features

Specially formulated for spots that need a deeper clean

Your go-to solution for spots that need more powerful cleaning. The hard-working formula with foaming action penetrates and dissolves tough grease and stubborn burnt-on food residue – for deep cleaning with pristine results.

Spray foam application for targeted spot removal

Directly spray spots that need cleaning and let the dense, powerful foam dissolve tough grease and stubborn burnt-on food residue. Designed for precise application, ensuring quick, even coverage while minimising waste.

The enduring elegance of a matt glass-ceramic finish

Maintain the sophisticated aesthetic of your matt glass-ceramic induction hob, including SaphirMatt® and SaphirMatt® SE hobs, with Matt Care Hob Cleaner. Keep it in pristine condition with this specially formulated deep cleaning solution.
