

Meet the everyday classic preserver

Preserve your everyday classics with AEG 6000 series slim machines with ProSense technology® and minimise wear and tear. ProSense tailors each cycle according to weight, delivering the right amount of water and energy needed. Our slim machines take up minimal space while delivering maximum clean.

Product Benefits & Features

Save water and energy with ProSense technology®

With ProSense technology® each load is weighed, and sensors adjust wash times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time. Plus you save water and energy.

THE HYGIENE PROGRAMME REMOVES MORE THAN 99.99% OF BACTERIA AND VIRUSES*

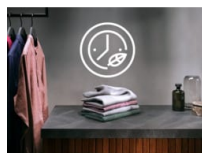

The Hygiene programme certified by Swisstest is a high-performance wash cycle that removes more than 99.99% of bacteria and viruses* from clothes. By keeping your wash temperature above 60°C, you can also reduce allergens.

*Tested for Staphylococcus aureus, Enterococcus faecium, Candida albicans, Pseudomonas aeruginosa and MS2 Bacteriophage in external test performed by Swisstest Testmaterialien AG in 2021 (Test Report No. 202120117)

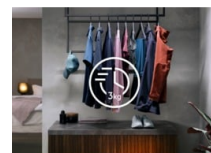

INVERTER MOTOR+. DURABLE AND ENERGY-EFFICIENT

Experience energy-efficient washing for longer with the Inverter Motor+. Built for low energy consumption thanks to permanent magnet motor technology.

Fast, energy-efficient laundry with TimeSave

Spend as little time and energy possible on doing laundry with TimeSave. Combine Eco and TimeSave options and shorten your wash cycle without compromising results.

THE FASTEST WAY TO WASH

For the tightest schedules, this Extra-Quick program enables you to get a 3kg load perfectly washed in only 20 minutes.

- ÖKOInverter motor: The lowest energy consumption with the highest efficiency and durability.
- Time saving options
- Delay start option
- Stains treatment option
- Number of detergent dispenser compartments: 3
- Anti-flood protection
- Woolmark Blue
- Silk program designed specifically for silk with gentle wash and adapted spin cycle
- SoftPlus option
- Washing programs: Eco 40-60, Cottons, Synthetics, Delicates, wool/silk, 20Min 3Kg, Easy Iron, Downy Jackets, Outdoor, Denim, Anti Allergy Vapour
- Program card languages:
