

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

|                                                                            |
|----------------------------------------------------------------------------|
| Trade mark: Bosch                                                          |
| Model Identifier: HBG7721W1S                                               |
| Energy efficiency index: 81.2                                              |
| Energy Efficiency class: A+                                                |
| Energy consumption per cycle in conventional mode: 0.87 kWh/cycle          |
| Energy consumption per cycle in fan-forced convection mode: 0.69 kWh/cycle |
| Number of cavities: 1                                                      |
| Heat source: Electricity                                                   |
| Volume: 71 l                                                               |
