

# Braun ThermoScan® 4 Ear Thermometer

IRT3515EE

The Braun ThermoScan® 4 Ear thermometer's compact, intuitive design makes temperature checks fast and easy. With the push of a button, you get accurate results in 1 second. Our intuitive colour-coded display instantly provides a visual and audio indicator when a fever is present. A green screen will appear to indicate a normal temperature (one beep), a yellow screen indicates a fever is present (2 beeps), and a red screen indicates when a high fever is detected (4 beeps). Giving you rapid, accurate results so you can confidently take the next steps in caring for your family's health at home.

## Includes

- 1x Braun ThermoScan® 4
- 1x Protective cap
- 21x Hygiene Caps
- 1x 3V lithium battery
