

Cook confidently. Clean effortlessly

The Easy2Clean BakeWell range of everyday bakeware is designed for ease and versatility, with colour and style. Enjoy fuss-free cooking and effortless cleaning thanks to the ceramic non-stick coating that's made without PFAS such as PTFE.

Product Benefits & Features

Enjoy fuss-free food preparation and easy removal

The Easy2Clean ceramic non-stick coating allows you to cook directly on the bakeware, for easy food preparation without baking paper or additional oil. Your cooked food simply slides off the bakeware onto the plate.

Quick, easy washing up, without scrubbing

The sealed, Easy2Clean ceramic non-stick coating effectively repels food residue and oil. Simply clean bakeware using a soft cloth, mild detergent, and hot water. Even burnt-on food comes off easily, without scrubbing.

Non-PTFE coating

The bakeware is sealed with a food-safe ceramic non-stick coating that is made without PFAS, such as PTFE (Polytetrafluoroethylene).

A colourful way to cook

Each piece in the Easy2Clean BakeWell range comes in a distinctive colour and matt finish that brings timeless style to every kitchen. The range is designed as an aesthetically matching set that fits together for effortless storage.

Multipurpose essentials to bake, roast, and more

Caters to a variety of cooking needs, from baking brownies and lasagne to roasts.

Product Specification
