

**Elevate everyday cooking, effortlessly**

Fry, sauté, sear, and more, with this quality Frying Pan for all hob types. Durable stainless steel delivers fast, even heat, and the ceramic coating ensures non-stick cooking and easy cleaning.

Product Benefits & Features**Elevate everyday cooking with non-stick ease**

Cook with ease and make washing up a breeze with the Easy2Clean CookWell range. The ceramic non-stick coating ensures mess-free cooking with the efficiency of fast, even heating and easy handling.

Non-stick coating to cook with ease and make cleaning a breeze

The ceramic non-stick coating, made without PFAS such as PTFE delivers easy cooking without excess oil or butter. No cooked food residue sticks to the cookware ensuring effortless washing up by hand without scrubbing, or in the dishwasher.

Designed for effective, even heat distribution

From sautéing and searing to stir frying, the thick, stable base is designed for effective heat distribution to evenly cook food, effortlessly.

Handles the heat on every hob

Whether it's induction, radiant or gas, the Easy2Clean CookWell range is designed for use on all types of hobs, and is oven safe up to 250°C.

Non-PTFE coating

Sealed with a food-safe ceramic non-stick coating that is made without PFAS such as PTFE (Polytetrafluoroethylene).

Product Specification	
Product Sub Typology	Pots and pans
Product Typology	Containers to cook/bake/freeze
Height, mm	45
Width, mm	240
Depth, mm	240
Product Number Code	902 986 691
Bar code	7333394096476
Part Code	9029866911
