

Slot In fridge-freezer integrates smoothly with décor

The Slot In Perfect Fit 800 fits seamlessly into any kitchen layout with its sleek, integrated appearance. Its four-door design also offers many different options for storing food.

Product Benefits & Features

Seamless installation for tight integration in existing layout

PerfectFit installation minimises gaps around the appliance for a sleek, modern, integrated appearance that enhances the look of your kitchen.

Sealed, adjustable-temperature drawer for fresh meat and fish

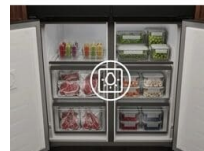

The adjustable, sealed, variable temperature drawer protects taste and texture of fresh ingredients and prevents cross-contamination of flavours. It can be set to -4.0 , 0 or $+4.0^{\circ}\text{C}$.

Multiple air channels enable active circulation to every corner

Cooling 360 Metal cooling panel achieves consistent temperature and humidity control on every shelf. Metal panel's inimalist design with multiple air channels aligns with modern kitchen decor.

Humidity-controlled produce drawer seals in freshness

The GreenZone drawer makes it easier to add more healthy fruits and vegetables to your diet. Its humidity membrane separates produce from the rest of the fridge, protecting nutrients, taste, texture, colour and weight.

Freezer light for better visibility

A light in the freezer makes it easy to find ingredients quickly and minimises the time the door needs to be open.

- External electronic temperature controls with LCD display, on appliance door
- Automatic defrosting of the freezer compartment
- Automatic defrosting of the cooling compartment
- Fast freeze function with automatic return to normal
- Holiday function to minimize energy consumption during long absence avoiding mould and bad odours
- Freezer drawers: 4 Half Width, Transparent Plastic
- Glass shelves in the freezer
- Refrigerator lighting: Internal. Led
- Freezer lighting: Ceiling;Internal. LED
