

**Create more dishes whenever you cook**

Diversify your dishes with this multi-function microwave and grill. Enjoy the speed and accuracy of a microwave with the added taste and texture that a grill provides. Use them separately or together and expand your skills in the kitchen.

Product Benefits & Features**Grill for versatile meals**

Enjoy bubbling mozzarella toasties and succulent grilled chicken in our microwave. The additional grill function means that you can enjoy your favourite dishes – fast.

**Microwave - your kitchen shortcut**

The microwave function is your shortcut to quick and delicious meals. At the touch of a button, you can melt chocolate, defrost your favourite casserole or re-heat leftovers, fast. It's the quick and easy way to create tasty meals.

**Save microwave settings for your favourite dishes**

Save your preferred microwave settings for quick and easy access with the Favourite function. Once you've created a programme, you can touch the star-shaped icon on the display to activate it. This means you don't need to remember any specific settings. It's all taken care of, at

**Protective Child Lock**

The Child Lock enables the microwave to be locked so that children or anyone unfamiliar with it can not operate it accidentally.

- Cooking modes: Grill, Microwave, Microwave & Grill
