

Powerful and efficient cleaning with spacious, flexible baskets

The 800 series delivers the cleaning power to completely remove baked-on or dried food residues. Minimal water use – as little as 8.4 litres. Flexible, easy-gliding baskets have foldable rows, plus holders to secure glasses.

Product Benefits & Features
Double-rotating spray disk cleans from all directions

Complete removal of stubborn food-residues in only 90 min. Tested and verified*. A spray arm with two nozzles, one circular and one straight, efficiently delivers water from multiple angles. The result is sparkling dishes every time.

*Based on an independent test by third-party German institute using detergent tablets and 90 min cycle on casserole with lasagna residues

Versatile baskets with folding sections and unique glass holders

Smooth-gliding FlexiMax Plus baskets have three folding rows for flexible loading. Anti-slip rubber grips and spikes secure stemware and glasses, reducing the risk of collisions. Cutlery drawer has deep middle section for cooking tools.

1 cycle, 2 zones. Intense on pots and pans, gentle on glassware

Two cleaning zones in the same cycle, without changing water or energy use. Activate DualZone to get tailored cleaning, with more water pressure on pots and pans in the lower basket and reduced pressure on delicate items in the upper basket.

Effective, efficient cleaning using water only where needed

WaterSmart is a water system with spray arms that work individually, directing water where it's needed. The result is efficient cleaning with minimal water consumption – as low as 8.4 litres when using the Eco program.

Uses fresh air to finish drying

AirDry uses fresh air to finish drying the dishes. This makes the drying performance up to 3x better compared to a closed-door system. The door automatically opens towards the end of the cycle to let in fresh air.

- Interior light
- Delay Start
- Indications for salt and rinse aid
- AirDry
- WaterSmart
- SatelliteClean® PRO
- Auto Off function
- Upper basket with 2 front folding tines for glasses with tine caps, 2 front folding tines for saucer with tine caps, 2 Soft Spikes, 6 wine glass soft grips, Foldable cup shelves, stainless steel handle ELUX
- Lower basket with 2 front foldable tines with tine caps, 4 rear foldable tines with tine caps, Plastic handle, Tall flat rack frame
- Options: DualZone, ExtraHygiene, GlassCare, PowerBoost
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTOClean, ECO, MachineClean, Night cycle, QuickClean, QuickRinse
