

Powerful cleaning, high energy efficiency and versatile baskets

The easiest-ever clean-up. The 900 series' versatile baskets fit soup bowls and wine glasses and the cutlery tray has room for small cups. Powerful cleaning removes tough food residues and Eco program uses as little as 8.4 L of water.

Product Benefits & Features
More ways to load, with multi-functional, FlexiMax Pro Baskets

All rows fold to maximise flexibility, while anti-slip rubber grips and spikes in both FlexiMax Pro Baskets hold stemware and glasses in place and prevent collisions. Cutlery drawer is adjustable to fit whisks, ladles and small cups.

Powerful cleaning, quiet as a whisper

Run the dishwasher with almost no noise to interfere with conversation or other activities. Our SuperQuiet dishwasher operates at a whisper-quiet 35 dB* due to improved software and fine-tuned hydraulic system.

*Based on ELUX 900/900 MaxiSpace models with 37dB on energy label declaration while using the Eco cycle with the ExtraSilent option measured according to EN 60704-1, EN 60704-2-3

Handle-free opening with Push2Open door. Seamless integration

With the Push2Open door, there's no visible handle, so the dishwasher seamlessly integrates with your kitchen cabinets. A gentle push on the upper part of the door opens it.

Flexible holder for oven trays, tall glasses and stemware

FlexHolder holds, separates and positions wine, champagne or tall glasses for secure, effective cleaning in the lower basket. It also holds oven trays at the right angle for removing baked-on food. It is removable if needed.

Double-rotating spray disk cleans from all directions

Complete removal of stubborn food-residues in only 90 min. Tested and verified*. A spray arm with two nozzles, one circular and one straight, efficiently delivers water from multiple angles. The result is sparkling dishes every time.

*Based on an independent test by third-party German institute using detergent tablets and 90 min cycle on casserole with lasagna residues

- SuperSilent
- Push2Open:
- TimeOnFloor
- Interior light
- Touch control for programs and functions selection
- Delay Start
- Indications for salt and rinse aid
- AirDry
- WaterSmart
- Auto Off function
- Upper basket with 2 front folding tines for glasses with tine caps, 2 front folding tines for saucer with tine caps, 2 Soft Spikes, 6 wine glass soft grips, Foldable cup shelves, stainless steel long handle ELUX
