

Powerful cleaning with spacious, flexible baskets

The 800 series delivers the cleaning power to completely remove baked-on or dried food residues. Flexible, easy-gliding baskets have foldable rows, plus holders to secure glasses and Eco-program uses as little as 8.4 litres of water.

Product Benefits & Features

Fully loaded lower basket rises 25 cm on reinforced hinges.

Built to lift: ComfortLift® raises the lower basket to the upper basket's level for faster, easier loading and unloading. The reinforced hinge mechanism has been tested to lift a fully loaded lower basket to the same level as the upper basket.

Double-rotating spray disk cleans from all directions

Complete removal of stubborn food-residues in only 90 min. Tested and verified*. A spray arm with two nozzles, one circular and one straight, efficiently delivers water from multiple angles. The result is sparkling dishes every time.

*Based on an independent test by third-party German institute using detergent tablets and 90 min cycle on casserole with lasagna residues

Versatile baskets with folding sections and unique glass holders

Smooth-gliding FlexiMax Plus baskets have three folding rows for flexible loading. Anti-slip rubber grips and spikes secure stemware and glasses, reducing the risk of collisions. Cutlery drawer has deep middle section for cooking tools.

Just select cycle time. No need to choose between programmes

An easier way to use your dishwasher. QuickSelect Connect display shows how energy use changes, depending on the cycle length. Move the slider to choose time, and see the energy graph change. Loading, program, and maintenance tips in the app.

1 cycle, 2 zones. Intense on pots and pans, gentle on glassware

Two cleaning zones in the same cycle, without changing water or energy use. Activate DualZone to get tailored cleaning, with more water pressure on pots and pans in the lower basket and reduced pressure on delicate items in the upper basket.

- TimeOnFloor
- Interior light
- Touch control for programs and functions selection
- Delay Start
- Indications for salt and rinse aid
- AirDry
- WaterSmart
- Auto Off function
- Upper basket with 6 wine glass soft grips, Foldable cup shelves, stainless steel handle ELUX, 2 front folding tines for glasses with tine caps, 2 front folding tines for saucer with tine caps, 2 Soft Spikes
- Lower basket with Tall flat rack frame ComfortLift, 4 rear foldable tines with tine caps, stainless steel handle
- Options: DualZone, ExtraHygiene, GlassCare
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTOClean, ECO, MachineClean, QuickClean, QuickRinse
