

Water efficient cleaning and flexible, easy-to-load baskets

The 700 series is water efficient and easy to load. Get sparkling dishes with as little as 8.4 litres of water using the Eco-program and experience how easily your dishes fit in its large-capacity, flexible baskets with foldable sections.

Product Benefits & Features

Effective, efficient cleaning using water only where needed

WaterSmart is a water system with spray arms that work individually, directing water where it's needed. The result is efficient cleaning with as low as 8.4 litres of water, when using the Eco program.

Spacious, easy-to-load baskets with cutlery drawer

Redesigned, smooth-gliding FlexiMax Baskets have two folding rows to fit large or oddly shaped crockery. Anti-slip rubber spikes keep glassware and delicate items from colliding. Cutlery drawer even fits whisks and ladles.

Just select cycle time. No need to choose between programmes

An easier way to use your dishwasher. QuickSelect Connect display shows how energy use changes, depending on the cycle length. Move the slider to choose time, and see the energy graph change. Loading, program, and maintenance tips in the app.

Uses fresh air to finish drying

AirDry uses fresh air to finish drying the dishes. This makes the drying performance up to 3x better compared to a closed-door system. The door automatically opens towards the end of the cycle to let in fresh air.

Adjustable basket easily adds room where you need it

QuickLift easily creates more space in the upper or lower basket. Simply grasp the handle on one or both sides of the upper basket and slightly pull up to raise or lower one side or both sides. Works smoothly even when it's full.

- TimeOnFloor
- Interior light
- Touch control for programs and functions selection
- Delay Start
- Indications for salt and rinse aid
- AirDry
- WaterSmart
- Auto Off function
- Upper basket with 2 front folding tines for glasses, 2 Soft Spikes, Foldable cup shelves, Plastic handle ELUX
- Lower basket with 4 rear foldable tines, Low flat rack frame, Plastic handle
- Options: GlassCare, PowerBoost
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTOClean, ECO, MachineClean, QuickClean, QuickRinse
