

Effective and quick washing at 30°C

The 800 UltraCare Washing Machine ensures that every fibre of your clothes get clean. By pre-mixing and evenly distributing detergent and softeners, it is washing very efficient at low temperatures and short cycles.

Product Benefits & Features

UltraQuick 49min – complete stain removal even at low temperature,* saving up to 30% of
UltraQuick 49min is more energy-efficient, compared with Cotton 40°C * and a powerful programme optimised for daily loads. At low temperatures (30°C) and in short time (49 min), it delivers complete stain removal for mixed loads of cottons and synthetics.**

*Based on external test of stain removal on 50 common household stains using UltraQuick 30°C programme with 5kg load

**Based on internal test comparing energy consumption of the 40°C cotton programme with the 49 min UltraQuick 49min

With one click, SmartSelect adjusts the washing based on your needs, saving up to 80% of energy
Select cycle and tune the intensity according to your needs. Based on your choice, SmartSelect will provide feedback, adjusting the programme length and temperature, guiding you to save energy, time and water.

*Based on internal test comparing energy, time and water consumption of SmartSelect Normal setting Cotton 40° with SmartSelect Extra Light setting Cotton 20° on a 4kg cotton load.

Protects your fabrics*, save detergent and get support via app

Advanced load sensing technology using AI algorithm adjusts cycle time, water, energy and detergent use based on amount of load.** Fabrics are protected* and you can save up to 60% on detergent.*** App support with detergent scan, onboarding and tips.

*Maintains 85% of original garment strength after 50 washes, based on external test by Ritex testing lab on 4kg load washed in 40°C cotton cycle.

**Based on Load weight detection algorithm that has been pre-trained. No user data is used to further train the algorithm.

Get real-time updates and personalised advice with Connected+

Link your appliance to the Electrolux app for remote control, real-time status and guidance on the optimal times to run laundry when energy prices are low. Connect a washer and dryer pair to save time with synced washing and drying programmes thanks to Connected+.

SteamRefresh – refresh with steam and wear it again, saving up to 96% of water*

The 25-minute SteamRefresh programme is suitable for delicate garments and uses less water than regular washing.

*Based on internal test of water consumption comparing SteamRefresh with full wash 30°C Delicate programme using a 1kg load.

- UltraCare washing system
- Inverter+ Motor
- Connectivity: WiFi
- Memory function for frequently used program settings
- Woolmark Green
- Washing programs: Cottons, Delicates, Eco 40-60, Hygiene, Jeans, Memory 1 / Favourite 1, Rapid 20 Min, Rinse, Spin/Drain, Sportwear, Synthetics, Ultraquick 49Min, Wool

Product Specification

Nordic_WM_FamilyName	UltraCare 800	Airborne acoustical noise emission class	B
Energy efficiency class, legal (E20)	A	Washing efficiency index (3 digit, E20)	1.031
Load, kg - 3rd Generation Performance, Programs (E20): Eco 40 -60 Full Load	11.0	Cycle duration, program Eco 40-60, h:min	3:59
Connectivity	Yes	Water consumption / cycle, l (E20)	51
Nordic_WM_AutoDose	Yes	Weighted remaining moisture content, %	44.9
Nordic_WM_XLCaredrum	XL Care Drum	Cord length, m	1.62
Nordic_Laundry_MotorType	Inverter	Connected load, W	2100
Drum volume, l	73	Volt, V	230
Porthole diameter, cm	49	Nordic_WM_OkoMix_or_UltraMix	UltraCare
Dimensions HxWxD in mm	847x597x636	Nordic_WM_ProSense_or_SensiCare	SensiCare
Depth max, mm	660	Nordic_WM_DirectSpray	Yes
Depth open door	1042	Net weight, kg	84.5
Feet/Wheels	4 adjustable feet	Product Number Code	914 565 607
Inlet hose length, cm	130	Bar code	7333394158129
Outlet hose length, cm	145		
Max spin speed, rpm	1600		
Spin drying efficiency class	A		
Energy consumption / cycle, kWh	0.475		
Weighted average energy consumption / 100 cycles, kWh (E20)	48		
Airborne acoustical noise emissions, dBA re 1 pW	76
