

Powerful cleaning, easy to load baskets

A multi-angled spray arm gives the 600 series extra spray coverage. Easy to load, with spacious baskets and foldable rows. No-fuss, time-based cycle selection.

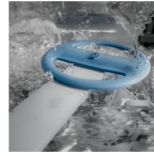

Product Benefits & Features

Easy, time-based program selection

With TimeSet you don't have to figure out what program to use. Just decide how soon you want your dishes to be ready, set the cycle length and press start.

Double-rotating spray arm cleans from all directions

360Clean spray arm thoroughly cleans your dishes with powerful, double-rotating spray coverage. Even closely placed or larger dishes receive deep cleaning no matter where they are loaded. And all without using any more water or energy.

Versatile drawer with knife holder fits cutlery and utensils

The FlexiMax drawer with knife holder is designed to fit cutlery and many different shapes and sizes of utensils. The customisable dividers and deep drawer mean large or awkwardly shaped items can be loaded with ease.

Effective cleaning and hygienic care

ExtraHygiene removes more than 99.9999% of bacteria and viruses*. The cleaning phase heats up to 69°C for a minimum of 10 minutes to remove microorganisms. This sanitizes your dishes, for spotless results with hygienic care.

*Tested for Micrococcus luteus and MS2 bacteriophage in external test performed by Swissatest Testmaterialien AG in 2021 (Test Report No. 20212029).

Uses fresh air to finish drying

AirDry uses fresh air to finish drying the dishes. This makes the drying performance up to 3x better compared to a closed-door system. The door automatically opens towards the end of the cycle to let in fresh air.

- Delay Start
- Indications for salt and rinse aid
- AirDry
- Auto Off function
- Upper basket with Foldable cup shelves, Plastic handle Electrolux
- Lower basket with 4 rear foldable tines, Low round rack frame, Plastic handle
- Options: ExtraHygiene, GlassCare, PowerBoost
- Dishwasher programmes: 120 Minutes, 60 Minutes, 90 Minutes, AUTOClean, ECO, MachineClean, QuickClean, QuickRinse
