

Gently dries without excess heat

The GentleCare Heat Pump Dryer dries gently, preventing garments from being exposed to excess heat and helping them look new longer. No extra time needed to dry them, even at the lower, gentler temperature.

Product Benefits & Features**Quick help: Gently dry up to 4 kg in 75 minutes***

Whenever you need dry clothes fast, use the powerful, QuickCare programme. It gently and consistently dries up to 4 kg of your favourite clothes in 75 minutes.* Optimised for lighter and thinner fabrics.

**No sorting needed. Mixed loads each time evenly dried with MixCare**

MixCare provides powerful yet gentle drying for mixed loads of cottons and synthetics, ensuring clothes are evenly dried with no sorting needed.

Sensors keep clothes from overdrying, so they look new longer

Keep clothes looking new longer while saving energy and time. DryAssist sensors measure the temperature and humidity of each load and adjust drying to prevent garments from over-drying and under-drying.

**Even drying results for XL capacity loads with family sized Bedlinen XL**

The family Bedlinen XL programme provides even drying results for XL loads, including bedlinen sets, without needing to re-start your dryer.

**EasyClean Filter – for an energy-efficient machine**

The EasyClean Filter is easy to clean and keeps your machine running at its best, helping to keep energy efficiency.

- Heat pump technology achieves unprecedented energy efficiency
- DelicateCare
- Inverter motor technology
- Delay start option
- Sensor dryer: the dryer senses when the clothes are dried to the level specified
- Additional time controlled drying programs
- Optional accessories: Direct drain hose, Stacking kit
- Accessories included: Condenser Slots Brush

Product Specification	
Nordic_TD_FamilyName	600 GentleCare
Drying capacity, kg (3rd Gen)	8.0
Energy efficiency class, legal (E20)	C
Weighted average energy consumption / 100 cycles, kWh (E20)	102
Condensation efficiency class, (3rd gen)	C
Airborne acoustical noise emission class	C
Airborne acoustical noise emissions, dBA re 1 pW	66
Door hinges	Right Reversible By User
Drum volume, l	113
Tank capacity, l	5.32
Dimensions HxWxD in mm	850x596x638
Depth open door	1107
Nordic_TD_Refrigerant_Volume	None/0.11
Connected load, W	700
Volt, V	230
Frequency, Hz	50
Plug Type	Euro Moulded
Required fuse (A)	5
